

If you would like to do a writing project to help elect Democratic Senators in Georgia, I can recommend this project. Ira Silver is distributing all materials for this project electronically so that you can print them at home. Volunteers purchase their own paper, envelopes, stamps and labels. They print at home. They mail from home. There is no materials packet to pick up and no materials fee to pay.

The materials for this SLGB project will be send via email in a few days and the project must be completed promptly.

If you are interested in this project, please read the letter below from Ira. If you wish to request addresses and materials, contact him directly at the email address below.

Will you join me in helping Democrats gain a Senate majority?

Now that we've elected a President committed to moving our country in the right direction, please help Democrats win both of the Georgia runoff elections taking place on January 5th.

We will target approximately 300,000 low-propensity voters in Cobb, Gwinnett, and Forsyth counties, each of which became significantly bluer in last week's election.

Our mailing will encourage recipients to request a mail-in ballot, which in Georgia is called Absentee Voting. Some of these people voted last week and some did not. In working with local voting rights activists in Georgia, Swing Left believes that all of the individuals we engage can be persuaded to vote on January 5th if we make doing so easy for them

The work will involve minimal "letter writing," but will instead consist mostly of addressing, stamping, and stuffing envelopes. You will need access to a printer and must be willing to assume the costs of paper, printing, envelopes, and stamps (55 cents). I'm asking for a commitment of 50 or more letters (50, 75, 100...). You can anticipate 50 taking about 4 hours.

Please respond to me ASAP to indicate the number you can commit to mail by Monday, November 23rd.

I expect to receive addresses and other materials within the next few days. Therefore, those of you who indicate an interest in participating will hear back from me by early next week.

PLEASE SHARE THIS MESSAGE WITH ANYONE YOU KNOW WHO MIGHT BE INTERESTED IN GETTING INVOLVED, AND ASK THEM TO CONTACT ME.

Given that we're still celebrating the incredible success of our recent get-out-the-vote work, I'm grateful that so many of you are interested in quickly ramping up this work again in order to gain a Senate majority.

May Georgia keep working its blue magic!

With gratitude,

Ira Silver
